PROFILE

Pranella

Attire Accessories is a magazine for the fashion accessories trade that is distributed to buyers in independent fashion shops, jewellers, boutiques, shoe shops, bag shops, accessory shops and buyers in national fashion chains and department stores seven times a year.

Attire Accessories is an invaluable tool for retailers, providing product and market analysis along with all the latest trends set to take the fashion accessories world by storm.

Attire Accessories provides retailers with detailed information on influential trade shows, financial and legal matters, and accurate reviews on new or innovative products to help retailers make informed and profitable buying decisions.

Created by our in-house design team, **Attire Accessories** contains incisive editorial, themed product features, event previews and much more, presented with aesthetically pleasing style and flair. For 2012 the magazine will undergo a re-design in both dimensions and layout. **Attire Accessories** is moving forward with a clean and contemporary look, which is totally in keeping with the demands and interests of the trade market.

Attire Accessories has a dynamic online presence at www.attireaccessories.com which acts as a comprehensive sourcebook giving thousands of international buyers immediate access to your business. The website www.attireaccessories.com includes a supplier directory, allowing readers to contact advertisers in the magazine for more information about their products or services. This service is FREE for current advertisers and it serves as an extra value benefit to those businesses advertising in the magazine.

To make sure we are in regular contact with our readers we also send out monthly email newsletters with updates and news about events and the contents of the magazine. Magazine advertisers have the opportunity to place advertisements on these newsletters.
